

eBook Guidelines

This page is about the guidelines to follow for creating and submitting your article for this free eBook. It's pretty simple and straight forward.

Most important instruction: Your article should be between 250-750 words or approx. one page in length. Write about something you're passionate about and have specialized knowledge.

The specific purpose of this article is to help the reader raise their vibration, so they can attract whatever they desire.

1. The structure of your article will have:
 - a. Title of Article
 - b. Your Name
 - c. One link to website, product, etc
 - d. Content of article
 - i. The content for the article must give value and not just promotional. You may include supporting links to further deepen the readers understanding.
 - e. Resource box
 - i. The resource box should include your name and at least one or two links to your product, business, newsletter or a telephone number. The resource box is all about promoting you!
2. All the information in the compiled eBook is copyright. Meaning, only the original writers of their article have the rights to change the content. You Can Not alter the content of the article. In the future, a brandable PDF will be considered for affiliate linking.
3. If you want to submit an image of you and your product, please keep them under 200px x 200px and either in jpeg. or gif. format.
